5<sup>th</sup> grade: Read three books of at least 150 pages each.

| Summer Reading Log |       |        |                      |    |       |
|--------------------|-------|--------|----------------------|----|-------|
|                    |       |        | How did you like it? |    |       |
|                    | Title | Author | Super!               | OK | Yuck! |
| 1                  |       |        |                      |    |       |
| 2                  |       |        |                      |    |       |
| 3                  |       |        |                      |    |       |
| 4                  |       |        |                      |    |       |
| 5                  |       |        |                      |    |       |
